RECEIVED

FEB 21 2006

Jim,

Department of Water Resources
Southern Region

Sorry about getting the reports
in as late as 2 times this year.

I just received reading from
Pomerville Ski Resort over the phone
on the 16th of Feb.

I will need 28 Log books
and 1 water measurement Book.

They seem to only last a season.

Respectively Submitted

Don Gundersen

Watermaster 45 F

P.S. I do have the log books
ready for the meeting on the
6th of March.
